

The European School Survey Project on Alcohol and Other Drugs

Application form for the use of the ESPAD 03 database

(To be emailed to bjorn.hibell@can.se)

Responsible persons

Person responsible for the dataset ¹⁾ Professor Martin Plant

Person responsible for the analysis Ms Hlin Rafansdottir

Details of planned work

Type of publication Paper/article Report PhD
 Other, which: M.Sc. thesis

Working title of the publication The relationship between self-esteem and alcohol consumption amongst 15-16 year old School Students in Iceland and the United Kingdom.

Research question(s) 1.To investigate whether levels of self-esteem are related to patterns of alcohol consumption and alcohol-related problems and expectancies amongst teenagers Iceland and the United Kingdom.

2.To investigate whether the relationship between self-esteem and alcohol use differs between male and female students in Iceland and the United Kingdom.

3.To explore whether there are any differences between the levels of alcohol consumption that are associated with adverse effects amongst male and females students in Iceland and the United Kingdom.

¹⁾ This can only be a Principal Investigator or a Chair of an ESPAD Thematic group. When the application is approved the Principal Investigator/Chair of a Thematic group has to sign an agreement that the delivered dataset only will be used for the applied project and that all use of the dataset will be done according to the rules in the document "Rules for the use of ESPAD databases".

²⁾ The meaning of the levels can be found in the document "Rules for use of ESPAD databases".

³⁾ If level 2 data should be included, the application needs to be accompanied by a written confirmation from the Principal Investigator in the country/ies concerned.

Variables to be included in the analysis alcohol consumption, self-esteem, alcohol-related problems, socio demographic variables, gender, expecatncies.

- Countries to be included in the analysis**
- All at level 3 ²⁾
 - All at level 2 ³⁾ and 3
 - A more limited number of countries, namely: Iceland, and UK
