Details of planned work

Type of publication Paper/article Report PhD
 Other, which: Masters research

Working title of the publication Cross-cultural research to the perceptions of teenagers about the consequences of alcohol use in relation to their use pattern.

Research question(s) With this research we want to investigate in which way there is a connection between riskperception about own alcohol use and use pattern. More specific we want to examine which perceptions teenagers have about the consequences en risks of alcoholuse. In view of statistic analysis we want to examine what the effect is of these perceptions on the alcoholuse during the entire life, the last 12 months and the last 4 weeks.

Variables to be included in the analysis all variables on demography, alcohol consumption, smoking, drug taking and delinquent behavior, namely Q 1, 2, 8 - 21, 27 - 29, 34, 37-42, A1-A3.

¹⁾ This can only be a Principal Investigator or a Chair of an ESPAD Thematic group. When the application is approved the Principal Investigator/Chair of a Thematic group has to sign an agreement that the delivered dataset only will be used for the applied project and that all use of the dataset will be done according to the rules in the document "Rules for the use of ESPAD databases".

²⁾ The meaning of the levels can be found in the document "Rules for use of ESPAD databases".

³⁾ If level 2 data should be included, the application needs to be accompanied by a written confirmation from the Principal Investigator in the country/ies concerned.

**Countries to be included
in the analysis**

All at level 3 ²⁾

All at level 2 ³⁾ and 3

A more limited number of countries, namely: a selection is possible.

1) This can only be a Principal Investigator or a Chair of an ESPAD Thematic group. When the application is approved the Principal Investigator/Chair of a Thematic group has to sign an agreement that the delivered dataset only will be used for the applied project and that all use of the dataset will be done according to the rules in the document "Rules for the use of ESPAD databases".

2) The meaning of the levels can be found in the document "Rules for use of ESPAD databases".

3) If level 2 data should be included, the application needs to be accompanied by a written confirmation from the Principal Investigator in the country/ies concerned.
